The combination of creativity, garden finesse, clever landscaping, and a passion for outdoor living, have been the key ingredients that have melded this superior garden oasis hidden from the world, on offer for the first time.

Seamless indoor to outdoor living and entertaining spaces with stunning interiors set amongst 11 acres of flawless, botanical, park-like gardens and expansive lawns. Nestled in to the escarpment on a level plateau, hidden from the world, yet easily accessed up a private mountain road only seven minutes' scenic drive from the Historic Berry Village.

A master suite located at one end of the home features a walk-in robe, ensuite, and a hidden office nook with French Doors that lead out to the garden. An amazing space to work, create, and draw inspiration from nature's playground.
