The theme of opulence continues into the bedrooms, a total of five in the main house which feature BIR, premium wool carpets, and majestic garden views from each room. Three generous bedrooms reside in their own wing on the upper level, alongside a second living area and main bathroom.

The master-suite with WIR and ensuite is located on the ground floor, conveniently detached from the family hustle and bustle!

The home boasts a self-contained flat, which makes a fifth bedroom, with its own entry, kitchen, living/dining area and bathroom. It could be used as guest accommodation, a teens retreat or holiday let.

The sixth bedroom with BIR, located closest to the master, has been converted to a study/home office or could still be used as a bedroom.

Admire the extensive plant species, mature trees and established elegant gardens, which have featured in the Berry Gardens Festival. Live sustainably from the produce of your raised vegetable patch, herb garden and fresh eggs from the chicken coop!

Leave the car in the garage and take a stroll, while you enjoy the fresh country air, on your way to the local produce markets and all the wonderful shops and cafes Berry has to offer.
