27 Kalang Road, Kiama Heights

Single Level - Versatile Floor Plan

This single level, well-proportioned home ticks all the boxes.

The first thing you notice about this home is the sense of privacy, thanks to the established gardens both front and rear. As you step inside you immediately appreciate its functionality and size, which is perfect for a growing family.

With 4 bedrooms plus a study, everyone is accommodated with ease. The home is also flexible, as the large fourth bedroom could be used as a rumpus or second lounge, complete with a second bathroom, adjoining deck and outside access.

At the heart of this welcoming home is the spacious kitchen, accessible from both the dining and living rooms. Family gatherings and entertaining are a breeze - whether they're inside or outside - with plenty of space on the outdoor paved area too.

Each bedroom has a built in robe, with an ensuite and walk in robe in the main. The office could be used as an extra bedroom if needed, in what is a highly flexible and functional floor plan.
