3 Pike Place, Kiama

Kiama - Stunning suburban oasis

Coastal Kiama is already a place to escape from life's cares, but this stunning 4/5-bedroom residence atop the hill takes things to another level.

Welcome to 3 Pike Place – and it's a place that doesn't shy away from its commanding corner block location – land size 620m². With mature palms and native grasses framing its modern lines, it really does feel like an oasis. All this while being just minutes to Kiama's cafes, shopping, dining and golden beaches.

Step through the grand entrance and an open glass-framed merbau staircase acts as a central spine to this home. Step up to the main living level and you'll find a tiled, ducted air-conditioned space that's bathed all day in natural light. It's easy to see why, with the first of two living rooms featuring gravity-defying double height windows leading out to a sunny front balcony. It's a towering space to relax or entertain, with adjacent formal dining plus landing looking down from above.

Meanwhile, another lounge space occupies the other north-facing

frontage, with side access to a covered entertaining area. Out here, enjoy the restful gurgle of the fountain or make a bigger splash in the spa pool. And if a BBQ is on the menu, step around to another space with all the built-in equipment.

Back inside, the kitchen is a joyous affair – featuring a huge Caesarstone island, European appliances, gas cooking and giant pantries catering to all chefs and foodies. Also occupying this level is a guest room/office, powder room with rain shower and large laundry.

Up the central stairs again – this time to the carpeted top level, and a large balcony landing looks down on that impressive living room below, while four generous bedrooms await. All include built-in wardrobes, and the main bathroom reveals double vanities, rain shower and spa bath.

But it's the luxe master suite that steals the show up here – including an open plan ensuite with freestanding bath plus full height windows that frame views to the ocean and magnificent sunrises – an amazing way to start the day.

Finally, the stairs also take you down to the double garage, with extra storage and even space for a wine cellar. Additional parking for boats or trailers is located at the rear of the property, with separate access thanks to the corner block.
